The Great Glowing Coils Of The Universe: Welcome To Night Vale Episodes, Volume 2

Synopsis

From the authors of the New York Times bestselling novel *Welcome to Night Vale* and the creators of the #1 international podcast of the same name, comes a collection of episodes from Season Two of their hit podcast, featuring a foreword by the authors, behind-the-scenes commentary, and original illustrations. In June of 2012, the creators of *Welcome to Night Vale* began airing twice-weekly podcasts, hoping to be heard by anyone outside their close circles. By the anniversary show a year later, the fanbase had exploded, vaulting the podcast into the #1 spot on iTunes. Since then, its popularity has grown by epic proportions, hitting more than 100 million downloads, and *Night Vale* has expanded to a successful live multi-cast international touring stage show and a New York Times bestselling novel. Now the first two seasons are available as books, offering an entertaining reading experience and a valuable reference guide to past episodes. In *The Great Glowing Coils of the Universe* we witness a totalitarian takeover of *Night Vale* that threatens to forever change the town and everyone living in it. *The Great Glowing Coils of the Universe* features a foreword by co-writer Jeffrey Cranor, behind-the-scenes commentary and guest introductions by performers from the podcast and notable fans, including Cecil Baldwin (Cecil), Mara Wilson (*The Faceless Old Woman*), Hal Lublin (*Steve Carlsberg*) among others. Also included is the full script from the *Welcome to Night Vale* live show, *The Debate*. Beautiful illustrations by series artist Jessica Hayworth accompany each episode. *The Great Glowing Coils of the Universe* is an absolute must-have whether you're a fan of the podcast or discovering for the first time the wonderful world of *Night Vale*.

I had to kill a librarian for this but it was totally worth the bloodstains and fur all over my eternal scouts uniform. I would pair this reading with a piece of invisible pie from the Moonlight All-Night Diner.

The art, the foreword, the introductory commentary for each episode... I am so delusionally overjoyed to hold these books and read them and teach my tarantula to read from them. I look forward to reading and purchasing future volumes. The level of care put into crafting these books (Mostly Void, Partially Stars as well) makes the experience of reading them so much sweeter. I've listened to the podcast since day 1, and it's so incredible to see how much it's grown and flourished.

While this and "Mostly Void, Partially Stars" may just be a collection of the Welcome to Night Vale podcast transcripts, it is so nice to have them in this format. I am a long-time fan of WTNV so revisiting the podcasts in print is a nice treat. The additional commentary on each episode is entertaining and insightful.

I love Night Vale and I have been listening to the podcast for a couple years now. When I heard that two new books were coming out, I was ecstatic. I ordered both this book and Mostly Void, Partially Stars together and they arrived today. However, both of the books were damaged in multiple spots. The box doesn't look damaged itself, so I don't think the damage happened in shipping. The box however, didn't include any kind of cushioning and isn't even fully a box, with multiple open areas in the box. The books themselves are fantastic, but the condition I received them in was not.
