Pulling Petals was written for the survivors by a survivor of life and all of it's experiences, both good and bad. I was blown away by that and was hooked like one kindred soul to another. I'm inspired, empowered, enlightened, moved and feel understood. The poetry in this book speaks to me, to my broken, troubled soul and to my warrior spirit. I found a soul mate in this beautiful book of poetry. I highly recommend it to everyone.

I find it hard to find the words to describe how truly amazing this book is, and just how much it has impacted me. It's like Becca Lee has literally tapped into my thoughts and emotions and put them down on paper in the most beautiful and eloquent way possible. Her words resonate in a way that is unashamedly raw, honest and unapologetic. This book is simply beautiful, and I can't wait to read more of your work in the future. Thank you Becca Lee

I fell in love with Becca's musings a year ago when I stumbled across her on Instagram. It's so amazing to finally have her beautiful poetry sitting on my bookshelf. Pulling Petals is filled with positivity and self-love. Highly recommend this book to women of all walks of life.

Found her on instagram and have been following for awhile. Love how the book is not filled with only poems on love, but instead loving yourself and what you've been through! Connected to poems so much and would recommend to other people!

Too hard to choose a favorite piece from this book! Every one of them speaks volumes to me! I've never felt so understood before by someone I've never met! The pieces in this book are beautifully written I definitely recommend buying Becca's book! It's incredible!
