got it for my son and he said it was great for the short answers prep for regent, my only regret was that I didn't buy it sooner in the year, but my son took the regent in jan instead of june and he got his 93! this book was a definite help and all high school students should get it.

This is a great regent helper its short and to the point! Its not biest at all! So if you want learn, enjoy and pass, BUY THIS BOOK!!!!!!!Thank you M. Brody for this great book!

I highly recommed Brodys Regent Review because its a simple easy way to study for the regent in a crash course. It has easy to understand sentences and regent questions in the back.

This book has many grammatical errors. Very unprofessional and distracting from the content.
