The Basics Of Social Research

Synopsis

This thorough revision of Babbie's standard-setting text presents a succinct, straightforward introduction to the field of research methods as practiced by social scientists. Contemporary examples, such as terrorism, Alzheimer's disease, anti-gay prejudice and education, and the legalization of marijuana, introduce students to the "how-tos" and "whys" of social research methods. Updated with new data, expanded coverage of online research and other topics, and new Learning Objectives for each chapter to focus students' attention on important concepts, this edition continues to be authoritative yet student-friendly and engaging as it helps students connect the dots between the world of social research and the real world.

Book Information

Paperback: 530 pages

Publisher: Wadsworth Publishing; 7 edition (January 1, 2016)

Language: English

ISBN-10: 1305503074

ISBN-13: 978-1305503076

Product Dimensions: 7.9 x 0.8 x 9.9 inches

Shipping Weight: 2 pounds (View shipping rates and policies)

Customer Reviews

The textbook was required for my class. I enjoyed reading it because the text made sense.

Great. In good condition and received as promised.

Good condition
