QuickFacts Colon Cancer

Synopsis

A Quick and Trusted Resource for Cancer InformationâUpdated with the Latest Screening and Treatment Guidelines The great news in medicine is that colon cancer is a very preventable disease. Many affordable screening tests are available to help doctors detect and remove (mostly slow-growing) polyps earlyâbefore they become dangerous. This comprehensive and concise pocket-sized book provides the information, support, and tools people need to cope with colon cancer from diagnosis through life after treatment.
