## Customer Reviews

This is a perfect Hagadah for children. It's true to the tradition and the illustrations are compelling. A few years ago I bought several, so that we could have one for each child at our seder. I believe that having their own Hagadah makes the seder a more dynamic experience for the kids, and each year, as I place them on the table, I am very glad I made the investment.

The Art-Scroll Youth Haggadah is a wonderful tool to help Jewish children to take part in the Pesach Seder. It takes us through the preparations for Pesach and the Seder itself, with the complete text, while using language in the translation and comments that children can understand. It also has the Hebrew text alongside the English text. It has fabulous illustrations that bring the Jewish Festival of Freedom to life. It ends off with the songs sung on Pesach including the song well known to children

in Israel - Chad Gadya- One Kid. This cheerful song-on which The House that Jack built was later based-also has a deeper spiritual meaning. Every Jewish child should have a copy of this remarkable book, ready for Pesach.

Features the full text of the seder, along with beautiful airbrushed illustrations and the usual Artscroll easy-to-follow instructions. It's a real haggadah (not just a storybook), so it might make a beautiful gift for a Bar/Bat Mitzvah; one they'll actually use from time to time. But get one for the younger kids, too -- they'll love looking at the gorgeous pictures.

These books are very nice and easy to understand and see and are for children and adults to read and do the. Sedar for passover

The illustrations make the Passover story come alive, especially for children and adults with little or no background.

Perfect for children and adults unfamiliar with a Seder
