Jean Davidson's Harley-Davidson Family Album

Synopsis

Here's an inside look at Harley-Davidson as only family members could tell it! Jean Davidson's Harley-Davidson Family Album presents never-before-seen family photos, as well as personal stories from the perspective of a family member and former Harley-Davidson dealer. Jean Davidson, the granddaughter of Walter Davidson, one of the four founders and the first president of Harley-Davidson, and the daughter of company vice-president Gordon Davidson, shares such family stories as: how four boys built their first bike in a shed in 1902, speculation about how the firm was named, how the family's rich hermit uncle saved the fledgling corporation from bankruptcy, the story behind the Silent Gray Fellow, and the sale and buy-back of the company. It also includes photos and reminiscences from Sarah and Mary Harley, granddaughters of William S. Harley. This memoir of the Harley-Davidson motorcycling dynasty presents a family album of rare photos of family members and fun photos of all those fabulous Harley-Davidson motorcycles: putting a personal face on the world's most famous motorcycle maker.

Book Information

Hardcover: 128 pages

Publisher: Motorbooks (April 12, 2003)

Language: English

ISBN-10: 0896586294

ISBN-13: 978-0896586291

Product Dimensions: 10 x 0.6 x 8.2 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (14 customer reviews)

Best Sellers Rank: #484,988 in Books (See Top 100 in Books) #50 in [Books > Arts & Photography > Vehicle Pictorials > Motorcycles](#) #80 in [Books > Engineering & Transportation > Automotive > Motorcycles > History](#) #419 in [Books > Travel > Food, Lodging & Transportation > Road Travel](#)

Customer Reviews

Jean Davidson's Harley-Davidson Family Album is a great gift for anyone who wants to know more about Harley-Davidsons. While most books about these wonderful motorcycles focus on the bikes and their impact on the culture, the Family Album describes the effect of the motorcycle on the founders and their families . . . and vice versa. It's a dimension of Harley-Davidson that I knew nothing about . . . and found to be fascinating. Jean Davidson is the granddaughter of Walter

Davidson, the first president of the company, and her father was Gordon Davidson, a company vice president. She is a former dealer. She teams up with Sara Ann Harley-O'Hearn to add comments about both families. About half of the photographs were new to me, and the captions were priceless. The book opens with family trees of Davidsons and Harleys who are in the book so you can keep track of who's who. Then the book turns to how the families emigrated from Europe to Wisconsin in the late 1800s. Within five pages of photographs, you begin to see motorcycle images. The first classic is of Arthur Davidson with a friend holding up the fish they caught while sitting on a motorcycle and in a sidecar. The original idea behind the motorcycle was to help make it easier to go fishing. Go figure! The text is also interesting . . . including an explanation of why the company is called Harley-Davidson rather than Davidson-Harley. The family connections are interesting. The model called "Silent Grey Fellow" in 1914 employed the nickname for William Sylvester Harley. There's also a nice page on the first motorcycle and what happened to it through 1912. It wasn't all easy. In 1904 a household maid raided the company's cash jar, and left the company broke.
