I lost my dog not long ago. I was really heartbroke. I ordered some books on dogs going to heaven but they didn't seem to help. I then bought "Biblical Proof Animals do go to Heaven". I cried, I laughed, and it educated me. But mostly I know for sure now where my beloved dog is. This book is amazing. It has bible proof and a beautiful story that once you start to read it, you can't put it down! I give it 5 stars!! If you read this book you will have no doubts that your pet is in heaven.

This book truly does prove that animals go to heaven and will ease the pain for those of you who, like me, have lost pets. While I agree with a previous review that it may seem to some a little farfetched that Jesus spoke to Steven (the author) the way he described, I also believe it is possible. I know people who have had similar experiences to that and other experiences described in this

book. If you keep your heart and mind open to the possibilities, the love and truth of God will come to you through this book. I first ordered and read the Kindle version and have now just ordered two paperback copies to give to relatives - I got THAT much from it that I am sharing it with others.

The author does an excellent job of using Bible passages to prove God's love, care and concern for animals. He picked both Old Testament and New Testament examples of God's love for not only people, but for all his creation. He also does an excellent job of explaining his success with deep and loving prayer. I would have rated this book a five, but I think many people would have a hard time believing the many visions and personal talks with Jesus that this author had. However, he gives a powerful witness for love, for Jesus, for Heaven and for animals being part of the kingdom of God. I would recommend this book to all Christians. I would also recommend this book to all pet lovers and especially to those who just lost a pet. This author has a special relationship with Jesus that most of us on earth don't have. I'm glad that he wrote his experiences as this book is a powerful witness to life after death and also to the love of Jesus for people and for all his creation.

We lost our little dog way too soon on new Year's Eve 2011, and after almost a year later my wife and I can't mention his name without getting choked up. At least until we read this book. We had prayed numerous times about our hope that pets do go to heaven, and that our dog is there waiting for us now. After reading this well written book, we are now assured through evidence that God does take our pets to heaven, after all, which makes good sense. I think this book is essential for any pet owner who had lost their animal and has wondered if he/she has a soul and is in what we humans call heaven. Thank you God, and thank you Mr. Woodward.

This book is my favorite I lost 4 elderly pets in one year and so was heart broken. I'm so thankful for this man writing this book and breaking down the scriptures. God put this book out for a reason. I can't wait to let my friends read it and have the peace that it gave me. I recommend it 100%. You won't be disappointed.

This book gave me some answers to a question my husband and I had talked about before he passed. I hope he found the answer for himself when he went to be with God. This is such a great book, heartwarming and so filled with love. It made my spirit soar, if you've ever wondered about whether animals go to heaven, please read...

A very inspiring book when you love animals so much. I love the biblical quotes through the book, very well written and easy to read. I did recommend the book to many friends with pets. Biblical Proof Animals Do Go To Heaven
