Exam Review For Milady Standard Esthetics: Fundamentals

Synopsis

The Exam Review for Milady Standard Esthetics: Fundamentals contains chapter-by-chapter questions in multiple-choice format to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas. The questions themselves are unique to this supplement. The Exam Review has been updated to match the contents of Milady Standard Esthetics: Fundamentals, 11e.

Customer Reviews

This book helped me to pass the Written Exam. I answered all questions in the entire book once and then followed up on chapters that needed more attention. Using this alone to study, I passed the written portion in CO. Worth it!

I purchased this book as a study guide for the NIC test. I've been a licensed Esthetician for over 7 years but, moved to a different state requiring me to take an additional exam. I found several grammatical, spelling, answer key errors (i.e. completely wrong answers to questions) and inaccurate information throughout the Exam Review book. This made studying all the more challenging and time consuming. I contacted Milady's and it took them almost a week to respond adequately. They told me they would "make a note of the corrections on our website and then log our systems so that when a reprint of the book occurs, the correction will be made." If you purchase this book, make sure it is the current reprint or get ready for some serious fact checking.

Well written and easy to use. Follows along with the textbook. This is going to be useful for many years to come.

If only the text aren't so..o.ooo small.The book size is smaller than I thought, therefore it was not an 8 x 10.

Very Informative and a good review book for the esthetician state license exam

required book for aesthetics, just already filled out so I had to work around it, the description from the seller about how written and used it is was misleading

Fast deliver New books!!

This book is straight up questions and answers on the back. My exam is in 2 weeks and I'm not sure if majority of the questions will be on the exam.. *feeling nervous*
