# Jesus For President: Politics For Ordinary Radicals

## Synopsis

Jesus for President is a radical manifesto to awaken the Christian political imagination, reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people âœset apartâ• from this world. In what can be termed lyrical theology, Jesus for President poetically weaves together words and images to sing (rather than dictate) its message. It is a collaboration of Shane Claiborneâ™s writing and stories, Chris Hawâ™s reflections and research, and Chico Fajardo-Heflinâ™s art and design. Drawing upon the work of biblical theologians, the lessons of church history, and the examples of modern-day saints and ordinary radicals, Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar. A fresh look at Christianity and empire, Jesus for President transcends questions of âœShould I vote or not?â• and âœWhich candidate?â• by thinking creatively about the fundamental issues of faith and allegiance. Itâ™s written for those who seek to follow Jesus, rediscover the spirit of the early church, and incarnate the kingdom of God.

## Book Information

Paperback: 368 pages

Publisher: Zondervan (March 3, 2008)

## Customer Reviews

"Jesus For President: Politics for Ordinary Radicals" by Shane Claiborne and Chris Haw is an accessible yet slightly-revisionist history/review of the Hebrew Scriptures, the world at the time of Christ, and the rest of Christian history. The fourth section of the book consists of jumping-off points and testimonies of people, groups, and situations where the kind of politic and economy described throughout the rest of the book is "fleshed out". Claiborne is radical. To some, 'radical' is bad, to others, refreshing. But there is no denying that his ideas and his lifestyle are counter-cultural and

challenge the status quo. I do not believe this is always a bad thing (more on this later). We can all agree that something is wrong with politics in America today, especially Christians in politics today. My biggest take-away was the "Third Way" idea he espouses throughout the book, the "prophetic imagination" that should be our primary posture in responding to the needs and challenges of our world today. I think a lot of people my age (18-24), especially Christians, feel torn between blind nationalism ("God bless America") and the angst-ridden anti-establishment attitude we see in the picket lines at anti-war demonstrations. There *has* to be another choice, right? Thankfully Claiborne lays this out pretty clearly, yet with enough room for imagination and creativity. A note on design: this is one of the most beautiful and interesting books to read. Every page is unique and striking. Some of the text material would honestly be rather dull without all the artwork. This book gets 10 stars out of 5 for creativity in design. Back to radicalism.

I'm a writer. Yet, I'm at a loss for words to describe Shane Claiborne and Chris Haw's new book *Jesus for President*. Let me break this review down into two sections: (1) Design, and (2) Content. DESIGN Put simply, *Jesus for President* is a wonder to behold. I've never seen a book designed with as much attention to detail and visual impact -- not on the outside, mind you; on the INSIDE. The only thing comparable is *House of Leaves*, the debut novel by American author Mark Z. Danielewski...and Sandman graphic novels designed by the incomparable British artist Dave McKean. Sure, *Jesus for President* contains regular text just as you'd expect to find in a book. But, in addition, this groundbreaking new book also sports hand-written margin notes, little doodles and drawings, photos with typewritten descriptions, pieces of fabric, pressed flowers, varying type-faces and -sizes, arrows drawn in ink pointing to important passages, circled words, underlines, pages that look as though somehow took a pink highlighter to them, and a bibliography so clever that it, alone, is worth the price of admission. In other words, everything about this book screams "I HAVE BEEN CRAFTED WITH LOVE." You can pick up this book, turn to a page at random and simply enjoy what your eyes behold. If *Jesus for President* doesn't win an award for its design, attention to detail (recycled paper, printed in America), and its ability to grab -- and hold -- one's attention from the very first page, there is no God. CONTENT Studies show that Americans today are changing their religious faiths almost as quickly as they change their underwear.
