Future 2 Package: Student Book (with Practice Plus CD-ROM) And Workbook (Future English For Results)

Synopsis

Future's research-based, comprehensive curriculum empowers learners with the academic, workplace, and media literacy skills they need to get ahead. Future prepares students with 21st century skills, helping them transition to further education or career training. Student book with Interactive Practice Plus CD-ROM enables learners to persist by providing multiple pathways to learning. Built-in multilevel instruction ensures the success of every student. The Practice Plus CD-ROM included with the Student Book is an extraordinary tool for individualizing instruction. It allows students to direct their own learning, working on precisely what they need and practicing what they choose to work on as many times as they like. In addition, the CD-ROM provides all the audio files for the book, enabling students to listen as they wish to any of the material that accompanies the text. Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.

Customer Reviews

Future 1 2 and 3 offer outstanding practical English in an A+ attractive, modern, easy to use format that is geared for easy, useful, adult practical communication and conversation. In my 13 years of teaching beginning and low intermediate English in classes and tutoring, this is by far the best ESL series, especially for immigrants. Some homemade supplemental vocabulary lists and

conversational dialogue can be useful, but not essential. Previous teaching experience is always helpful, but not essential. David's wife Kathryn

The text is in use in a Level 2 ESL course. The material is well written and diverse enough to keep the students interested. The topics are pertinent to day to day language use. On the down side, English grammar is practically nonexistent and has to be supplemented from other sources.

The book full color of pictures, but work book is black and white

Only a future book, very angryno homeworki

wow , that's awesome , i've recieved before august 31 , So fast , Thank you so much .
