Spooks and spirits, ghosts and goblins, witches and the weird...it’s Halloween...one of the most widely celebrated holidays of the year. But why do we trick-or-treat, carve pumpkins and dress up in costumes? What are the legends and lore behind some of our most treasured Halloween traditions? Find out all about this spooky holiday:

-- The ancient Celts wore masks and costumes on Halloween night to avoid being recognized as human because they thought spirits and ghosts roamed the countryside-- The first Halloween movie was made in only 21 days and was shot in the spring, using fake fall leaves-- In an attempt to prevent spirits of the dead from leaving their final resting place, gravestones were once placed on top of deeply dug graves-- It is believed unlucky by some to carve your jack-o-lantern with a black-handled knife-- Wiccaphobia is the fear of witches-- Several distilleries around the world produce alcoholic beverages with a grim twist; an English firm produces Vampyre Vodka that is blood red in color-- According to the Guinness Book of Records, the largest gathering of "zombies" occurred in Ledbury, Hertfordshire, on August 6, 2009, with 4026 participants.
