Child Abuse And Neglect: Second Edition
Synopsis

Child abuse and neglect are examined in this new edition -- the latest research, what it entails, and how to recognize and report it. Federal law mandates the reporting of suspected child maltreatment by many professionals. This book will appeal to those who one day find themselves in the role of a mandated reporter. Engaging learning tools are integrated throughout: Focus on Research boxes provide an in-depth look at research or methodologies. Case Examples and Debates encourage discussion about the gray areas in the field.
