Rousseau: The Basic Political Writings: Discourse On The Sciences And The Arts, Discourse On The Origin Of Inequality, Discourse On Political Economy, ... Contract, The State Of War (Hackett Classics)
Synopsis
This substantially revised new edition of Rousseau: The Basic Political Writings features a brilliant new Introduction by David Wootton, a revision by Donald A. Cress of his own 1987 translation of Rousseau's most important political writings, and the addition of Cress' new translation of Rousseau's State of War. New footnotes, headnotes, and a chronology by David Wootton provide expert guidance to first-time readers of the texts.

Customer Reviews
One of my serious interests. Politics, philosophy and history captivate me, and this book is all 3. Very happy with this purchase.

A classic, great for long car trips and vacation reading if required for school.

I was assigned this book for a class in Political Theory. This is a good translation of Rousseau’s work.

Good read
