Horror: A Literary History

PDF DOWNLOAD EBOOK
Synopsis

Horror is unlike any other literary genre. It seeks to provoke uniquely strong reactions, such as fear, shock, dread or disgust, and yet remains very popular. Horror is most readily associated with the film industry, but horrific short stories and novels have been wildly loved by readers for well over two centuries. Despite its persistent popularity, until now there has been no up-to-date history of horror fiction for the general reader. This book offers a chronological overview of the genre in fiction and explores its development and mutations over the past 250 years. It also challenges the common misjudgement that horror fiction is necessarily frivolous or dispensable. Leading experts on Gothic and horror literature introduce readers to classics of the genre as well as exciting texts they may not have encountered before. The topics examined include: horror’s roots in the Gothic romance and antebellum American fiction; the penny dreadful and sensation novels of Victorian England; fin-de-siècle ghost stories; decadent fiction and the weird; the familial horrors of the Cold War era; the publishing boom of the 1980s; the establishment of contemporary horror auteurs; and the post-millennial zombie trend.

Book Information

Hardcover: 232 pages
Publisher: British Library Publishing (October 15, 2016)
Language: English
ISBN-10: 0712356088
Product Dimensions: 12.1 x 1.1 x 9.4 inches
