Love, Ellen: A Mother/Daughter Journey
**Synopsis**

"Mom, I'm gay." With three little words, gay sons and daughters can change their parents' lives forever. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but it was not without a struggle. In Love, Ellen, Betty DeGeneres tells her story: the complicated path to acceptance and the deepening of her friendship with her daughter, the media's scrutiny of their family life, and the painful and often inspiring stories she's heard on the road as the first nongay spokesperson for the Human Rights Campaign's National Coming Out Project. Insightful, universally touching, and uncommonly wise, Love, Ellen is a story of friendship between mother and daughter and a lesson in understanding for all parents and their children.

**Book Information**

Paperback: 400 pages  
Publisher: It Books; 3/14/00 edition (April 26, 2000)  
Language: English  
ISBN-10: 0688176887

**Customer Reviews**

As I read the book, 'Love, Ellen,' which was written by Ellen Degeneres' mother, Betty, the words stirred memories deep inside of me. I first laughed. I then cried. I was unquestionably moved. Like Betty, my mother was brought up in the same generation and in a family with conservative values. Issue were not addressed. The 'G' and 'L' words were unspoken and closeted. It was the 'don't ask, don't tell policy,' where your secrets and feelings were stored in your inner vault. Throughout 'Love, Ellen,' Betty leads the reader on a journey from a mother's perspective seemingly through the stages of grief, ranging from denial: 'Even as I tried to understand, I was in a state of denial. But
Ellen, boys have always liked you, and you’re so popular. You just need to meet the right one.”...to anger: ”...Are you sure?’ The question hung in the air. It sounded judgmental. I softened it, saying, `I mean, couldn't this just be a phase?”...to bargaining: 'I understand that my disappointment was not for Ellen. It was for me. I was the one whose marriages hadn't worked out according to expectations. Why on earth should she have to fulfill my dreams? Why not love her and support her as she fulfilled her own?’...to depression: ‘...Ellen never had an engagement picture in my hometown paper...I had always fantasized about seeing Ellen’s picture there and about her marrying some fine man about myself as being the proud mother of the bride...I felt as if a dream had been shattered.'...through the acceptance stage: 'Like most parents, I went through a process. It took me time to think about this, to sort out what was important, to get past my terrible ignorance and learn about homosexuality.
