Acing The Bar Exam (Acing Series)
**Synopsis**

Acing the Bar Exam provides candidates with a complete guide to the bar exam – from pre-planning considerations through bar review and sitting for the exam. Every aspect of the process is explained in detail and by example. The bar exam is de-constructed, section by section, where candidates are led through the steps they need to follow to succeed. Approaches for learning the black letter law, setting study schedules, and answering essay and multiple-choice questions are combined to maximize the likelihood of success. Each of these tasks is then configured into checklist format to help candidates navigate each step. This approach puts the candidate in control of the bar exam and not the other way around.

**Book Information**

Series: Acing Series

**Customer Reviews**

If you are looking for a book that gives you an overview of study tips for the bar, this is for you. I was under the assumption that this would provide substantive checklists, like the other books in the acing series, which it did not. So, while this is still a great book, be advised that it is not like the other books in the series.

Great condition, thank you!

Very good insight.
Can't wait to read this when I have a break from school, to prep for the bar when I take it in a few years.
